# ACTIVAGE CARE SUPPORT SERVICE IN GREECE

- 150 smart homes for the elderly across central Greece
- Integrated care support and vital signs measurement to chronic patients with

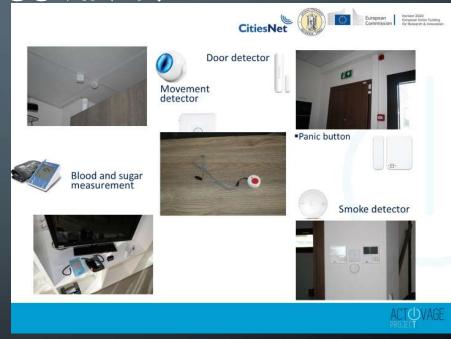

# ACTIVAGE SMART HOMES AND HEALTH SUPPORT DURING COVIN-19

- Remote monitoring of an elderly's daily life
- Remote measurement of blood and sugar without having to visit the hospital

ACT VAGE PROJECT

# ACTIVAGE SMART SYSTEM AGAINST COVID-19

How was the service disseminated:

- On line press releases in local sites
- Phone help line
- Radio and local channels

#### Challenges

- To promote the service widely during lockdown
- To identify the users and explain the service remotely
- To install the system while keeping face to face meetings limited
- To overcome any technical problems remotely

#### ΥΠΗΡΕΣΙΕΣ ΤΗΛΕΦΡΟΝΤΙΔΑΣ ΗΛΙΚΙΩΜΕΝΩΝ

e-trikala

και ευπαθείς ομάδες ασθενών με χρόνια νοσήματα λόνω πανδημίας COVID19.

Ο Δήμος Τρικκαίων και η e-trikala ΑΕ στα πθαίσια των οδηγιών του ΕΟΔΥ και του Υπουργείου Υγείας για την αντιμετώπιση της

### TRIKALA MUNICIPALITY INITIATIVES

- Reopen the night shelter for homeless people
- Daily distribution of the FEAD (Fund for European Aid to the Most Deprived) beneficiaries--- more than
   2.500 by door to door service
- The Municipality offered food on a daily base to different places around the city for stray dogs and cats—in case a sick person the Municipality took care of the pet
- Operation of a hot line at the Community Centre for the psychological support and counseling, in order to confront the negative impact of the COVID-19 pandemic

### TRIKALA MUNICIPALITY INITIATIVES

- Developed a microsite in the official City's website, with plenty helpful information and phone numbers, to offer services by distance and with the use of technology
- Developed a microsite with "creativity" activities
   (recreational activities for children, gymnastic proposals,
   e-books, etc) for all the people who stay in home
- In collaboration with the E-TRIKALA, distributed a leaflets in the mother language for safety and predictions rules for the pandemic- help line in Arabic and Sorani- daily phone communication with all refugee families
